NCARC Meeting Minutes

May 19, 2012

The meeting was held at the Golden Corral Restaurant in Loveland. It was called to order at 9:07 by President Willie W5WIW. There were 25 members and 5 guests present.

Willie welcomed the members and their guests, and then called for the officer's reports.

Secretary's Report: The minutes for last meeting were on the website, and call was made for a motion to accept them as written, or corrected if necessary, the motion was made to accept as written, seconded, and passed.

Treasurer's Report: Tim was unable to attend, so there was no report.

Technical Chairman: John was not in attendance, so no report.

Interference: Justin was not present, so no report from this committee.

PAO: Eugene was out of town, so there was no report from the website.

Field Day: will be held on June 23 and 24, at Monfort Park in Greeley. Willie described the area, and passed around some pictures showing the covered area with tables and benches, also the location of the restrooms, and lots of parking close by. We already have our permit to be there overnight, and are looking forward to a good time by all.

Willie brought up the subject of having some projects during the summer months, like a Fox Hunt, which is lots of fun. Also had a suggestion of some field trips, maybe to the silo, or a short trip somewhere. Dan suggested someone who is an expert on some subject to come and talk, or might be a travelog. There will be more on this subject.

Willie called for a meeting concerning the hamfest - this last one. We need to see how we did and talk about what could have been done a different way, etc. We also need to make plans for the next one.

Old Business: Election of Officers. Paper ballots were passed out to the club members, and then gathered up and two members counted them. The results:

Dan presented his surplus Turbo radios for sale.

Rick Huebner, W0RCY, is working on the website, and offered some directions to get on the site.

New Business: Coming events:
