

How to obtain an official license copy

1. Point your browser to <https://wireless2.fcc.gov/UlsEntry/licManager/login.jsp>
2. Type your FCC Registration Number and Password.
3. Click on "Download Electronic Authorizations." (left yellow menu, about 1/4 way down)
4. Under "Filter by Radio Service," select your current Callsign and click ADD to "Authorizations to Download."
5. Click DOWNLOAD at the bottom right.
6. Select the folder and file name to save your Official Copy pdf file (look for pup-up blocking warnings That will not allow you to see the download link for this step).
